Mosul/Al Amen Quarter  
14/51/318  
(+964) 7722384877  
mahmood.comm@gmail.com  
DOB: 12 March 1987  
Nationality: Iraq  
Married

Languages spoken : Arabic, English, Turkish ▪ Cross-cultural communication skills ▪

## PROFILE

---

Communication engineering having Master degree of science with eight years of experience in communication field with the GSM operators and their subcontractors with an excellent computer skills, high accuracy and independently on communication works, good management skills. Ability to work effectively and harmoniously in an international and multicultural environment, I am a reliable, confident and efficient individual.

## EDUCATION

---

**[2006 – 2010]** [College of Electronic Engineering ]

**Grade achieved:** [Bachelor of science in Communication Engineering ]

**[2010]** [Cisco Networking academy ]

**Grade achieved:** [ CCNA1 certificate ]

**2020]** [College of Electronic Engineering ]

**Grade achieved:** [Master degree of science in Communication Engineering ]

**[2020]** [Northern Technical University]

**Grade achieved:** [Teaching Method Certificate ]

## ACHIEVEMENTS

---

[2011 lecturer at Mosul technical institute (computer department)]

[At ABR Company “Asiacell’s subcontractor” for Operation and Maintenance recover all down site before the limiting time ]

[At Wahj Al Fajer Company “Asiacell’s subcontractor” recover most SDH and PDH Microwave link in a too dangerous area during Mosul liberation ]

---

[At Asiacell Company monitor and guide the subcontractor to the MW links network main issues and work in common team to solve the problem ]

[ At Asiacell Company follow up and making acceptance for the subcontractor who is implementing the new MW link project ]

- Organizing and managing the most works that's allocated to me from these companies successfully.
- Supporting the others team that's working with us .
- Responsible for making the PAT report
- During the process of liberating Mosul city, I have completed all the works on my charge and preserved the life of my team with high speed and accuracy.

[2019 Present my paper at the Second International Conference on Electrical, Communication, Computer, Power and Control Engineering(ICECCPCE)]

[April 2020 Is the date of adding my paper to the IEEE Xplore:  
<https://doi.org/10.1109/ICECCPCE46549.2019.203775>

## SKILLS

---

**Public speaking:** I have been required to speak at numerous people that I have managed, including opening the project, introducing attendees to the works with a view to boosting support and closing the project speedy

**Teamwork:** My roles have required me to bring numbers of people together and coordinate them to ensure a successful work, which has given me experience both working with and managing the teams involved.

### **Communication and interpersonal skills:**

Having managed numerous events which involve bringing people on board and coordinating many different stakeholders, my communication and interpersonal skills are excellent.

---

## PERSONAL SKILLS

---

- Rough knowledge of health, safety and environment legislation
- Experienced in formulating policies for high risk environments then implementing monitoring, reviewing and auditing these
- Immense knowledge of Health, Safety and Environmental regulations
- Ability to prepare audit reports for preventative maintenance
- Ability to maintain confidentiality of all
- Ability to Work under Pressure
- Very good communication skill

---

## REFERENCES

---

[Referee 1]

[Prof. Dr. Khalil H Sayidmarie. He is a Professor of communication engineering with the College of Electronic Engineering, Ninevah University]

Raied Jarjees

Active unit head transmission O&M at asiacell, contact no. 07701106270

Adeeb Abdulla

TND Supervisor at Asiacell Area2, contact no. 07701106218
